carat

Timeless porcelain with a distinctive profile

Carat has set new benchmarks in the gastronomy sector. With its distinctive relief structure and large rounded handles, this successful collection is a mainstay of the Bauscher range. This exceptional tableware has been part of the product range for decades thanks to its clean lines, distinctive relief pattern, versatility, and functionality.
Design: Hans-Wilhelm Seitz, 1984 (85)

THE PORCELAIN OF TOMORROW – SINCE 1881

Breakfast tastes twice as nice when served with simple elegance. But even at other times of the day, or as the centerpiece of a buffet, Carat impresses with its perfect combination of timeless design and tried and tested functionality.

A shining performance

Apart from its signature relief pattern, a special feature of Carat is its versatility. This is shown in its very wide range of items and individual decorating options. And even when not in use, Carat continues to impress through its space-saving and stable stacking capacity.
