The **EcoFlex Linenless Tables** are available in a variety of different sizes to suit your catering and banquet needs. Our EcoFlex line is available at three price points to ensure there is a set available that will satisfy your budgetary needs. Customize your collection by choosing from various tabletop sizes, shapes, heights and finishes. Choose your table's look with a choice of side or corner mount leg designs finished in either brushed stainless steel or one of our powder epoxy finish options. Tops are available in a variety of surface options ranging from our eco-friendly Trend glass/stone options, weather resistant Tropical Hardwood, double-sided High Pressure Laminate, or our clear or gray tempered glass options. The unique design of our EcoFlex tables allows for fast and easy set-up, making them perfect for banquets or any occasion. After use, simply remove the tops, fold the leg frames and load them on the transport/storage carts. No tools required.

A glass table with a metal frame is set with various dishes: a bowl of spaghetti with meat sauce, a bowl of spaghetti with cheese sauce, a bowl of salad, and a plate of fried items. The table is positioned in front of a window with vertical blinds, showing a view of greenery outside.
