For coffee and more

Kaffeegenuss ist ein Ritual für Kenner. Im Bistro, Coffeeshop oder in der Bäckerei genießt man den Muntermacher und gönnt sich dazu einen leichten Lunch. Darum hält *Solutions* neben Tassen für Kaffee- und Teespezialitäten auch schicke Flachteile zum Servieren von Speisen bereit.

The enjoyment of good coffee is a ritual for aficionados. Guests enjoy the pick-me-up in bistros, coffee bars or bakeries and treat themselves to a light lunch on the side. This is why the *Solutions* collection also offers stylish flatware for serving foods as a perfect match to the cups for speciality coffees and finest teas.

Design: Metz & Kindler, 2011

Immer mehr Menschen ziehen einen leichten Lunch einer üppigen Mahlzeit vor. Die Speiseartikel von *Solutions* geben diesem Trend einen abwechslungsreichen Rahmen. Die eckige Außenform der Teller und Platten spart nicht nur Platz am Tisch, sondern bietet durch ihre ungewöhnliche Formensprache eine ganz eigene Aura.

More and more people today prefer to take a light lunch rather than a full meal. The food presentation pieces of the *Solutions* collection add variety to this trend! The rectangular shape of the plates and platters not only saves space for table settings, but also offers a very special aura through its unusual design language.
