WE FIND THE RIGHT TONE

All the elements of WMF's PURE EXCLUSIV series are in perfect harmony: the design, materials, quality and, of course, the individuality.

Choose your ideal products and expand on your collection using the combinable items. Then simply choose what colour you want and you're GOOD TO GO!

Step 1: PRODUCT SELECTION (see pages 6 - 19)

1

You are really spoilt for choice! Choose your desired product from the extensive PURE EXCLUSIV series range.

Step 2: CHOOSE THE SURFACE TYPE OR RAL COLOUR TONE (see page 4)

2

It's colour time! Here you can choose from either of our standard wood styles or select your favourite colour from the extensive RAL colour range and ensure that these wooden products perfectly match your interior design.

Step 3: STANDS: CHOOSE YOUR COMBINABLE PRODUCTS (see page 5)

3

The combination makes all the difference! Both stands can fulfil totally different functions thanks to the different items they can be used with.

Step 4: GET YOUR PERFECT AND UNIQUE ITEM

4

You can create and order anything. We are happy to help. As colours are made-to-order, more detailed information regarding prices and delivery times is available on request.

WMF's PURE EXCLUSIV series allows you to make MORE with LESS. Thanks to the extensive combination options, you can get so much more out of fewer products. In this series, one thing can be combined with another and almost nothing has only one function.

From breakfast, to lunch, right through to a candle light evening meal – PURE EXCLUSIV sets the perfect ambience for every mealtime in a way that will leave you wanting for nothing.

Create your own table design with these practical components from WMF's PURE EXCLUSIV series.

FRESH NEW COLOURS

– AN END TO MONOCHROME

Harmony and unity are the key components of any dining experience. Until now, one was generally only limited to white and black to ensure that all the accessories matched.

The PURE EXCLUSIV COLOUR range opens the world to new, exciting possibilities. With endlessly customisable PURE EXCLUSIV products, there are many new, colourful options for your establishment and table designs, even with comparatively few items. All RAL colour tones are available. The WMF PURE EXCLUSIV COLOUR range will bring your table to life.
