
WMF COMPO double-walled pots.

Dual protection for heat and aromas.

Striking design, impressive functions: WMF COMPO stainless steel pots.

Whether a stylishly arranged breakfast buffet or coffee table, sophisticated room service or for use in your apartment: the WMF COMPO range is the star of every occasion. Its features impresses in every way – from the striking design and excellent insulating properties to comfortable handling and high-quality materials.

Drip-free pouring
thanks to the specially shaped spout.

Exclusive design
with square base and round opening. Modern, sophisticated and can be combined in all sorts of ways.

Premium quality
made of Cromargan®, double-walled. Hygienic, stable and dishwasher safe.

180° tilting lid
for easy cleaning and filling.

Excellent user-friendliness
Convenient to pour with one hand thanks to its ergonomic and insulating handle.

Long-lasting freshness:
Due to its double-walled insulation, drinks stay hot or cold for longer compared with normal stainless steel pots.

Team player: The WMF COMPO pot collection
