The Cube Cloche

“Minimal” Colors for Room Amenities

Cover for Safety
Uncover in Style

In contrast to existing offerings, “The Cube Cloche” will not disappoint guests who dislike disposables and expect style, safety and wonderment.

The cube shape allows for more space for food, especially for room amenity presentations. When removed, dome can be placed vertically

Compared to traditional room service metal covers which are associated with “old style” hospitality service, the Cube food cloche is infused with a modern Art Deco design sensibility.

Can be delivered in opaque colors for a unique uncovering experience (and a room decor item), as well as in transparent to protect but keep the food presentation visible. A truly modern and foodstagrammable, alternative to the “service under the bell” experience.

Our standard color selection is minimal and austere for Room Amenity presentations. Nevertheless, we will create bespoke colors to match the interior of the room.

The Cube Cloche

“Macaroon” Colors for Pastry Display

Colors Evoke Feelings
Colors Tell Stories
Colors are Sweet
Colors have Flavors and Aromas

Display desserts and pastries in a colorful joyful way. Let the guests admire your creations through the transparency of the glass cloche displayed on a colorful background of the footed tray.

Align the display in a colorful manner and be assured that there will be no noise when lifting or placing down the food cloche. All cloches are equipped with anti slip bumpers.

Our standard color selection of trays is playful, happy and energizing. Nevertheless the collection can also be offered in a multitude of colors including burgundy, chocolate brown, marrone brown, vanilla white, satin blue, cherry red, yellow, lilac and of course Laduree or pistachio green. We will create it bespoke for you.

Display your desserts using all 3 sizes of the square food cloche plus a rectangular one that perfectly fits a cake from mold.
